- Guest network access

Overview

The NETGEAR N300 WiFi Router with External Antennas (WNR2020) offers faster downloads and Internet gaming. This router delivers high-performance wireless speeds of up to 300 Mbps and is the ideal router for medium-sized homes. It delivers the speed and reliability needed for applications such as HD streaming, online gaming and a secure and reliable connection to the Internet. The WNR2020 includes advanced features such as external 5dBi antennas for improved WiFi coverage, Push 'N' Connect for easy push button WiFi connections and guest network access for a separate and secure Internet access for guests.

NETGEAR genie® Home Networking Simplified

- Home network manager
- Turbo Transfer—share files within your home network between PC, Mac or Android™
- Makes any printer AirPrint® compatible to print from an iPad® or iPhone®
- MyMedia™—Find & play media files in your network
- EZ Mobile connect—Scan QR code to connect to your home network
- For PC, Mac®, iPhone®, iPad®, & Android™ devices

NETGEAR®

Speed

Speed makes HD video better. Speed makes online gaming awesome. Speed makes all your devices really go. And any place you need speed, with NETGEAR you got it. Fast download speeds up to 300 Mbps. WiFi technology provides whole home coverage. Everything you need for a fast connected home.

Better WiFi Speed

N300 WIFI—Faster downloads & Internet gaming

WiFi Range

Homes come in all shapes and sizes. The NETGEAR N300 WiFi Router with External Antennas provides better WiFi connectivity throughout your home for all your Internet enabled devices.

Better WiFi Range

RANGE—For medium-sized homes

Sharing

With NETGEAR, sharing across your network is fun and easy, like accessing stored photos & music.

Share & stream your movies, music, photos

WIRELESS-N—Email, chat, surf, music, video

NETGEAR®

Ease Of Use

NETGEAR makes it easy to do more with your digital devices. Use Push 'N' Connect to add devices to your WiFi network with a push of a button. And the simple browser-based installation with no CD makes router installation easy using an iPad, tablet, smartphone, or computer.

Simple network management

EASY INSTALL—Easy setup for iPad®, tablets, smartphones & computers

PUSH 'N' CONNECT—Easy push button WiFi connections (WPS)[1]

SCHEDULED WIFI ON/OFF— Conveniently program access times and conserve up to 30% of power

Security

Guest networks create a completely separate WiFi network for your guests' devices so they do not have access to your home network. Secure WiFi connections offer high level WPA/WPA2 security.

Safeguard your network

GUEST NETWORK ACCESS—Separate & secure WiFi access for guests

NETGEAR® GENIE® APP—Personal dashboard to monitor, control & repair your home network

SECURE WIFI CONNECTIONS—High level wireless security with WPA/WPA2

Applications

With the N300 WiFi Router with External Antennas create a better home network for applications such as online gaming, a fast reliable connection to the Internet and a secure wireless connection.
Ideal Uses

EMAIL, CHAT, SURF, MUSIC, VIDEO—Enjoy a fast, reliable and secure wireless connection to the Internet

ONLINE GAMING—Optimized for multi-player gaming with no lags
